Chihuly at the Phipps Glass and Flower Exhibition

← Brighton Township resident Suzanne Harris seen capturing some of the amazing Chihuly glass sculpture work at Phipps Conservatory during the Park & Rec Board trip.

Township resident Vince Gentile leads a group through the Chihuly Glass exhibit at the Phipps Conservatory. →

Park & Recreation Board News

Your Park & Rec Board is busy gathering information on some exciting events to sponsor in 2008. We hope you will look forward to these events: **March 22** - Easter Egg Hunt; **May 15** - Johnstown tour of Flood Museum, Flood Memorial, Incline ride and lunch; **June 20** - Outdoor Movie, Ellis Field; **July 18** - Outdoor Movie, Ellis Field; **August 30** - Riverside Inn, Jack Benny Matinee and dinner; **October 4** - Autumn Fest; **December 13** - Riverside Inn, Christmas Forever Plaid, Plaid Tidings.

On February 7th, 54 Township residents and friends took advantage of our bus trip to view the Chihuly at the Phipps glass and flower exhibition in Pittsburgh. It was truly spectacular, and the pictures shown above don't really do it justice. After viewing the exhibit, we lunched at the Spaghetti Warehouse in the Strip District, where Jane Grimm again dispensed her one of a kind door (bus) prizes.

The Annual Easter Egg Hunt will be held again this year at Two Mile Run Park on March 22nd. This fun event is open to all children ages 2 thru 10. We can only hope the weather is more favorable than last year when it was more conducive to Rudolph the Red-Nosed Reindeer and his pals. Be sure to register, using the form found in this Newsletter.

You'll also want to circle Saturday, October 4th on your calendars. That's the date of Autumn Fest 2008, and it promises to be bigger and better than ever. As in the past, it will be staged at Two Mile Run Park.

Finally, if you own a computer and have not as yet availed yourself of getting all the news monthly through the Township Email Letter, just go to www.brightontwp.org, page down once or twice to where it says "Register for the Email Newsletter," enter your email address and name and click on the submit button. You'll then be added to our subscriber list and will get all the news of events and activities in the Beaver Area, updated monthly.

Automatic Bill Payment Established by BTMA & BTSA

Your water and sewage billings through the Brighton Township Municipal Authority (BTMA) and Brighton Township Sewage Authority (BTSA) may now be automatically drawn from your checking account.

What are the benefits?

- **It is quick** – just mail the enrollment form.
- **It is convenient** – payment will be automatically deducted on the 20th of the month.
- **It is safe** – electronic debit is completely secure.
- **It saves time** – no more writing or mailing checks.
- **It saves money** – in checks, postage and gas.

How does this work?

After application and approval you will continue to receive a monthly bill card by mail. The bill will be imprinted with the statement "Do Not Pay." Please review the bill immediately and notify BTMA/BTSA if you have any questions or disputes regarding the bill. On the 20th of the month, the bill amounts will be automatically drawn from the bank account you have specified. If the 20th is a Saturday, Sunday or holiday, the withdrawal will be made on the next business day. The statement you receive from your bank or other financial institution will indicate the date and amount withdrawn from your account.

- *If your bank account number changes, BTMA/BTSA must be notified immediately and a revised enrollment form completed.*
- *If you wish to terminate the automatic bill payment option, you must notify BTMA/BTSA in writing sixty (60) days in advance. Future reinstatement will be subject to re-enrollment.*
- *If the transaction is refused by your financial institution for any reason such as insufficient funds, closed or unauthorized account, you will be immediately terminated from the program. In addition, a fee of \$20 will be charged to your BTMA/BTSA account.*
- *If you relocate or your BTMA/BTSA account is closed, your final bill cannot be processed automatically; you must make payment by mail or in person.*
- *To authorize the automatic bill payment option, please complete the enrollment form.*
- *Questions? Call the BTMA/BTSA offices at 724-774-4800.*

AUTOMATIC BILL PAYMENT OPTION ENROLLMENT FORM

To initiate the automatic bill payment option, please complete the enrollment information below and deliver it via mail or drop-off to the Brighton Township Municipal Authority (BTMA) office at 1300 Brighton Road, Beaver, PA 15009.

I/We hereby authorize Brighton Township Municipal Authority to automatically debit my/our checking account (one account only) for the amount of my Brighton Township Municipal Authority (water) and Brighton Township Sewage Authority (sewage) utility bill. This authorization will remain in full force and effect until notified by me in writing. My/Our participation in this program is subject to BTMA's approval. I understand that BTMA reserves the right, upon written notification, to terminate my/our participation or terminate the program at any time. If I/We decide to discontinue this payment plan I/We will notify BTMA in writing at their office.

BTMA/BTSA Account # _____ Your Telephone # _____

Service Location _____

Billed to Name _____

Bill to Address _____

Information for Draft Account:

Print - Name on the Account _____

Print - Joint Name on the Account _____

Your Signature _____

Joint Account Holder Signature _____

Financial Institution Name: _____

ABA Routing #: _____ (Please verify with your Bank)

Note: After receipt of your enrollment form, there will be some processing time required to implement the withdrawal process. When you receive your first bill with the words "Do Not Pay" you can assume that the bill amount will be withdrawn from your bank account.

Sewer Meters Available

The Brighton Township Sewage Authority (B TSA), in cooperation with the Brighton Township Municipal Authority (BTMA), will permit users to have a separate meter installed to measure the flow of water that does not enter the sanitary sewer system. This meter typically reads water used outside for watering lawns or gardens, washing vehicles or **filling swimming pools**. This sewer deduct meter is read at the same time as your water meter at the end of each quarter. The reading on the sewer meter is deducted from the excess use based on the water meter reading. The minimum amount billed during each quarter remains at twelve thousand gallons. Absent a sewer meter, no credit will be given for outside water use, such as filling your swimming pool.

The cost of the additional meter is one hundred dollars (\$100.00). This one-time charge includes the meter and installation. Payment in advance to BTMA is required. All inside plumbing revisions will be at the expense of the owner and are subject to inspection prior to meter installation. Applications for sewer meter installation are available in the Municipal Building.

2008 Summer Playground Program

Brighton Township and Beaver Borough, in cooperation with the Beaver Area School District, have contracted with the YMCA to conduct a 2008 Summer Playground Program from June 23rd to August 1st at the Dutch Ridge Elementary School. The program is operated for students in K-5th grade, is 6-weeks in length and is operated from 10:00 A.M. to 2:00 P.M. YMCA trained staff supervise the program and provide needed resources; including games, crafts, sports and special events. There is no registration fee to participate in the program. Over 40 children registered and participated in the program last year. Please watch for more details later this year.

Building Permit Requirements

The 2006 International Construction Code (ICC) is in effect for all construction within Brighton Township, with the exception of a few items that have been excluded pursuant to The Pennsylvania Construction Code Act, as amended. However, a Zoning Permit is required for all construction activity, including excluded items.

Confirmation of compliance with the 2006 ICC is by site inspections by certified building inspection officers. The Township has contracted with the Middle Department Inspection Agency (MDIA) to perform plan reviews and inspection services. MDIA will also issue final occupancy permits. Applicants for building permits are required to submit documentation with the application that the proposed construction complies with code. These codes apply to general construction, plumbing, electrical and HVAC/Mechanical.

Due to the plan review requirements of the ICC, please allow more time for the processing and review of your permit application if you are planning a construction project this year.

Do you have code questions? Contact: John Balsler, Building/Plumbing/Electrical Inspector at (800) 662-6342.

Brighton Twp. Planning Commission - 2007 ANNUAL REPORT

JEFFREY S. MAZE, CHAIRMAN

MARK MROCYNSKI, VICE-CHAIRMAN

JENNY STRANG, SECRETARY

SHIRLEY M. BUCHHOLZ

DWIGHT L. GOFF

JOHN RUTKOWSKI

JOHN A. WEBER

The Brighton Township Planning Commission is an appointed body of Township residents who volunteer their time to review land use proposals, such as subdivision and land developments, and who also develop and review amendments for land use codes. The Commission welcomes all input from residents on the Township's land use policies and other matters that fall under their review.

In addition to the following brief summary of the Commission's activities during 2007, the Commission also heard other citizen comments on plan proposals or code change requests. The Commission continues to review the status of existing codes on a monthly basis.

Subdivision Application Plan Reviews:

1. Hunter's Ridge (Branthoover Plan of Lots No. 3) 22 Lots**@
2. Clerici/Baker Plan of Subdivision 3 Lots**@ Line Adjustment & Lot Consolidation
3. Furgiuele-Byrnes Plan of Lots 2 Lots*@ Line Adjustment & Lot Consolidation
4. Whipple-Nicol Plan of Subdivision 2 Lots**@ Line Adjustment
5. Gradwell Plan of Subdivision 3 Lots@
6. McCaffrey Plan of Lot Revision 2 Lots*@ Line Adjustment
7. Donald & Judith Lang Plan of Subdivision 2 Lots
8. Radler Plan of Lot Addition 2 Lots*@ Line Adjustment
9. Ridgeway Plan of Subdivision No. 2 2 Lots*@
10. James & Vicki Furgiuele Plan of Lots 3 Lots*@ Lot Consolidation
11. Cottage Plan of Subdivision 2 Lots*
12. Center Drive Water Facilities Plan of Lots 2 Lots Line Adjustment

@ Denotes final approval granted by Board of Supervisors - plan recorded.

* Denotes 1 lot with existing dwelling.

Land Development Application Review:

1. **Heritage Valley Health System Land Development:** Application was made for a new emergency department canopy with helipad. The land development plan was recommended for approval by the Commission but has not been submitted for final recording by the applicant.

Land Use Ordinance Preparation:

1. **Zoning Code Amendments:** The Commission prepared a zoning ordinance amendment for wind energy conversion systems in response to the State of Pennsylvania providing significant financial incentives to companies who develop alternate energy sources such as wind turbines. Act 213 of 2004 requires that 18 percent of all energy generated in Pennsylvania come from clean, efficient sources within 15 years. The Commission also prepared a zoning ordinance amendment establishing design criteria for cemeteries in recognition that no such regulations were included in the Code. An amendment was prepared to address setbacks for non-residential parking and access roads that was compatible with established buffer yard requirements. Other items reviewed for amendment included: Outdoor Advertising devices, widths of buffer yards, changes to buffer yard planting schedules, determining who is authorized to file for Zoning Code amendments, establishing one single family home per lot, determining permitted locations for mobile homes and other items. The Board of Supervisors conducted public hearings on the Code amendments and, thereafter, adopted the ordinances establishing these regulations as part of the Zoning Code.
2. **Building Design Criteria:** The Commission prepared and referred to the Board of Supervisors an amendment to the Subdivision and Land Development Code that established design criteria for non-residential buildings within land developments. The ordinance also established standard details for fencing requirements for stormwater detention facilities. Following a public hearing, the Board of Supervisors adopted the ordinance establishing these regulations as part of the Subdivision and Land Development Code.
3. The Commission has been working on updating regulations for mineral extractions that will be presented as an amendment to the zoning code. Recent case law has made this process more difficult as the regulations must be fashioned in a manner that does not conflict with State Law or established court decisions.
4. The Commission has evaluated current zoning regulations regulating no-impact home based businesses and home occupations to determine if amendments should be prepared to address this topic. The Commission has reviewed the regulations to determine if there is a proper balance between protecting residential properties and neighborhoods and permitting the reasonable use of a residential property for a business purpose that has a minimal impact on the neighborhood.

(continued on next page)

Brighton Twp. Planning Commission - 2007 ANNUAL REPORT *(continued)*

Other Business Items

- 1. Dutch Ridge Associates LP:** Property owners appeared before the Commission on several occasions regarding a proposal to rezone a portion of their property located within a C-2 Commercial to R-1 Residential.
- 2. Rezoning Request for Dutch Ridge Road:** Application was made for a change of zoning classification for the property located at 840 Dutch Ridge Road. The applicant requested a change in the zoning classification from R-1 Residential to HC-1 Health Care Service.
- 3. Comprehensive Plan Update:** The Planning Commission completed the 2007 Update to the Brighton Township Comprehensive Plan. The Board of Supervisors adopted the Plan at their November meeting following a public hearing. The Update is to the 1999 Brighton Township Comprehensive Plan. A public presentation of the Plan was conducted in March 2007.
- 4. Agriculture Security Area – Seven Year Review:** The Commission conducted a seven year review of the Brighton Township Agriculture Security Area that was initially recorded in 1993 and subsequently revised in 2000. The review included notification to all participants that the review was taking place. Notices were advertised and posted that new petitions would be accepted. As a result of the review, one participant asked to be removed, and one new petition for inclusion was received. The revised ASA is 68 parcels totaling 2,394.80 acres. The ASA 2007 Update was adopted by the Board of Supervisors following a public hearing.

V.F.D. 2007 Annual Report

The Brighton Township Volunteer Fire Department 2007 Annual Report issued by Fire Chief John Curtaccio included the following statistics regarding calls for assistance:

<u>TYPE</u>	<u>NUMBER</u>
Structural	78
Brush	12
Vehicle	6
Vehicle Rescue	30
Miscellaneous	42
Carbon Monoxide	8
QRS	131
Mutual Aid	33
Total Calls	340
Total Volunteer Man Hours	2,650*

**Does not include volunteer hours for training, department and vehicle maintenance and public education & fund raising activities.*

Fire Hydrants – Township code makes it unlawful for any person, other than those authorized by the Township, Fire Department or Municipal Authority, to open, tamper with or interfere in any manner with any fire hydrant. No obstructions are to be planted, constructed or placed within six (6) feet of any hydrant.

Burning – Burning of household papers or other permitted refuse must be done within a salamander wire basket or masonry enclosure with a top to prevent fly ash from escaping. Such burning is prohibited on Sundays or legal holidays, before 7:00 A.M. or after 7:00 P.M. Please monitor all outdoor burning activity closely to prevent brush and other wild fires.

2007 Annual Police Department Report

Chief of Police Howard Blinn has issued the following Department statistics for 2007:

Hours Worked	20,740
Miles Patrolled	140,794
Accidents Investigated	95
Criminal Arrests	111
Moving Traffic Citations Issued	1,631
Nonmoving Traffic Citations Issued	171
Traffic Warnings Issued	243
Parking Violations	162
Fines Collected	\$37,794.92
Homes Security Alarms Answered	169
Assists to Other Departments	157
911 Calls	162
Aid to Sick or Injured	351
Animal Calls	209
Vacation Checks	62
Business Check/Closure	612

Chief Blinn thanks all Township residents for their kind support to the Department and encourages the reporting of all suspicious activity to the Police Department. Please be reminded of the following:

- **Free Gunlocks** - made available through Project Child-Safe, are available at the Police Department and the Township Office.
- **Vacation Checks** - If you are going to be away from your home for a period of time, the police department will make periodic checks on your residence while you are away. Prior to leaving, phone the department at 724-728-1134 with departure and return dates.
- **Dogs** - It is unlawful for the owner of any dog in Brighton Township to permit the dog to run at large upon any street or upon the property of any other than the owner or keeper. Dogs are prohibited in Township Parks.
- **Soliciting or Peddling** - Soliciting and peddling is regulated within the Township and requires the securing of a license. Soliciting or peddling is prohibited on Sundays and holidays, before 9:30 A.M. or after sunset or 6:00 P.M., whichever occurs first.
- **Parking** - Vehicles must be parked on the right-hand side of the road with the flow of traffic.
- **Curfew** - It is unlawful for any person under the age of 18 years to be or remain in or upon any street, park or public place in the Township between the hours of 11:00 P.M. and 6:00 A.M. unless a parent, guardian or other person having legal custody, accompanies the person.

Real Estate Tax Information

The Brighton Township Real Estate Tax bills will be mailed on March 1, 2008. Also a reminder, the 2007-08 Beaver Area School District Real Estate Tax payments are due no later than the March 31, 2008 filing date.

Office Hours: Tuesday - 3:00 p.m. to 8:00 p.m.

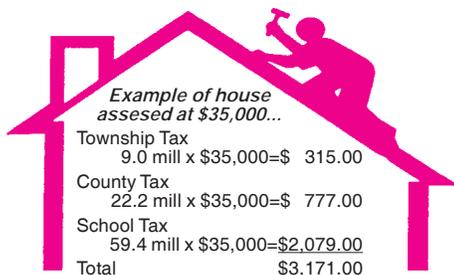

Friday - 10:00 a.m. to 3:00 p.m.

Last two (2) Saturdays of each Month during the discount period:
9:00 a.m. to 12:00 Noon

The real estate/per capita tax collection office is located in the lower level of the Municipal Building, 1300 Brighton Road. A drop box has been installed at the tax collector's office for your convenience. If you have any questions or concerns, please do not hesitate to contact James W. Onuska, Brighton Township Real Estate Tax Collector at 724-774-2622.

REAL ESTATE TAX DOLLAR

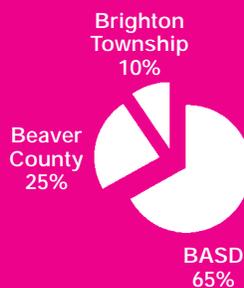

Taxing District	Mills Assessed
Brighton Township	9.00
Beaver County	22.20
Beaver Area School	59.40

Example of house assessed at \$35,000...

Township Tax	9.0 mill x \$35,000=\$	315.00
County Tax	22.2 mill x \$35,000=\$	777.00
School Tax	59.4 mill x \$35,000=\$	2,079.00
Total		\$3,171.00

Real Estate Tax Distribution

Fire Department Paper Recycling Successful

The Brighton Township VFD would like to thank you for your support of the Department's paper recycling efforts to raise funds. Abitibi Consolidated has placed recycling containers at the Social Hall, 5400 Dutch Ridge Road and Fire Station No. 2 on Tuscarawas Road. Please continue your support and tell others to bring their paper products for drop-off too. The Department collected over 130 tons of material in 2007 and the success of the program is beneficial to the Department.

Please do not drop-off unacceptable materials. Please follow these instructions:

Acceptable Items: Magazines, Cards (greeting and post), Office Paper, Reader's Digest, Hard back books (covers removed), Calendars, Junk Mail, Newspapers & Inserts, NCR Paper, Catalogs, Manila folders, Notebooks

Any of these items can be placed in a brown paper bag – NO Plastic Bags Please!

Unacceptable Items: Cereal boxes, Milk Cartons, Food Cartons, Phone Books, Cardboard, No kitchen or bathroom paper products, No thin gray packaging material.

Keep Meter Zone Open

The Municipal Authority's meter readers need your help. Please keep shrubs and other items from blocking the area around your remote meter. The meter readers need access to the remote meter to get a consumption reading. This becomes very difficult when the access to the area is blocked, or shrubs and flowers cover the actual remote meter. Please help us by keeping this area open for the meter readers.

Recycling is Easy!

HOW TO PREPARE YOUR MATERIALS

Glass - Clear, Brown and Green Bottles and Jars

1. Rinse - remove styrofoam labels.
2. Remove metal lids and rings.
3. Place in green recycling container.
4. Do not break glass.
5. Do not include auto glass, light bulbs, porcelain, ceramic, plate glass or crystal.

Aluminum, Bi-Metal & Tin Food and Beverage Containers and Aluminum Foil

1. Rinse thoroughly, crush cans.
2. Place in green recycling container.

Plastic Bottles and Jugs Only

1. Rinse thoroughly, remove caps.
2. Flatten to save space.
3. Containers must have the three arrow recycling logo, with the numbers 1 or 2 inside it.
4. Containers that originally held motor oil, antifreeze, or other chemicals are not recyclable.
5. Place in green recycling container.
6. Do not include plastic bags or buckets.

Newspapers and Magazines

1. Fold newspapers once and slide into paper bag along with magazines.
2. Do not tie newspapers, magazines or paper bag
3. Do not use plastic bags under any circumstances.
4. No cardboard, cereal, cracker or pizza boxes.
5. Place next to or in recycling container at roadside.

- Place your recycling container at roadside on the same day as your regular garbage collection during the recycling weeks.
- Do not place items in separate bags or they will not be collected. Place recyclables directly into recycling container.

- Recover your recycling container promptly after collection.

NOTE: The recycling container remains the property of Brighton Township and must remain at the residence if you move. Your recycling container is to be used for recycling only.

BRIGHTON TOWNSHIP RECYCLES

Brighton Township Historical Society

Presents - *Snippets from the Past*

In an earlier Newsletter we talked about Dutch Ridge Road having been named after the Dutch, and the road which runs from Park Road to Tuscarawas Road as being referred to as the back road. The names for these two roads were used for many years; however, a search of two old deeds sheds new light on previous names for these two roads. The former Pratt Food Locker property, located across from the Medical Center, deed states it was located on Achortown Road, which is now Dutch Ridge Road. Achortown Road ran from Beaver and continued down Stone Quarry Hill, now Park Road, up Herron Hill to meet the present Achortown Road, which ends at Old Blackhawk Road in South Beaver Township. The second deed, for property now owned by Joe and Janet Churm, and located on Dutch Ridge beyond Park Road, previously referred to as the back road, names the road as Cut Off Road.

Gypsy Glen Road got its name from the Gypsies who came through Beaver and continued up the glen, which was a narrow secluded valley, and camped. Sometimes as many as eight to ten horse drawn wagons would be camped at one time. This continued during the warm season, one group moving out and another moving in.

Have You Noticed Any Manholes Around?

Do you have a sanitary sewer manhole located within your yard? If so, please do not bury the manhole, or plant anything upon it. Unlike other utilities, which can most often be located within or near the street, the locations of sewer lines are more dependent upon the topography. Sanitary sewer systems are designed to flow by gravity as much as possible to eliminate the construction and continued operation of costly pumping stations. Therefore, sewer lines are often located within the yards of homes. The manholes should remain exposed so they can be easily located for inspection and maintenance of the system. Sewer lines can require periodic flushing or other maintenance. Also, when another utility is working in the area it is necessary for the Sewage Authority personnel to locate and mark the location of the sewer lines. The purpose is to avoid damage to the system while excavating for the other utilities.

Please help by keeping the manholes exposed and visible so the Authority does not have to spend the time and effort necessary to locate buried manholes and remove the debris that has been placed over them.

Time to Renew Your Yard Waste Permit!

All 2007 Yard Waste Composting Site Permits expired February 29, 2008 and must be renewed for use of the site. Permits may be renewed as follows:

1. In person at the Municipal Building, 1300 Brighton Road, Beaver, PA 15009. Cost of the permit is \$10.00.
2. By mailing a check in the amount of \$12.00 (\$2.00 to cover return postage) along with the number from your previous permit. Your new permit will be issued and mailed to you within five days. (This form is also available on our web site at www.brighton.twp.org.)

First time permit applications must be made in person, with proof of residency, at the Municipal Building, 1300 Brighton Road, Beaver, PA 15009.

Thanks to all residents for your cooperation in the use of this site. If you have any questions about our composting site, please call 724-774-4800.
