On June 17, 2009 Brighton Township lost a man with unparalleled dedication to his faith, family and community. At the time of his death John R. McCandless, Jr. was serving as Chairman of the Board of Supervisors and also served as Director on both the Sewage Authority and Municipal Authority boards. Everyone who knew John describes him as an honorable and fine man who gave full devotion to every aspect of his life. From a public service perspective, this included his service on the aforementioned boards, where he was able to utilize his professional business and financial management skills to oversee the operations of each board. John's friendship will be missed.

John R. McCandless, Jr. 1932 - 2009

RESOLUTION NO. 2009-20 BRIGHTON TOWNSHIP - Beaver County, Pennsylvania

WHEREAS, John R. McCandless, Jr. served as Brighton Township Supervisor from June 11, 2001 until his death on June 17, 2009, and was highly respected as a leader, and was universally acknowledged for his financial and business management expertise; and

WHEREAS, John R. McCandless, Jr., prior to his service as a Township Supervisor, served with distinction as a member of the Brighton Township Zoning Hearing Board from October 12, 1992 until June 17, 2001, and

WHEREAS, John R. McCandless, Jr. served as a member of the Board of Directors of both the Brighton Township Municipal Authority and Brighton Township Sewage Authority from January 7, 2002 until his death, having served both in various capacities during his tenure, including Chairman; and

WHEREAS, John R. McCandless, Jr. served the Beaver County community through his active service on many boards and civic organizations, and

WHEREAS, John R. McCandless, Jr. was a man of strong faith, and lived the teachings of the Apostle Paul as demonstrated through his servant leadership;

"Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interest, but also to the interest of others." Philippians 2:3-4

THEREFORE, in recognition of his service with honor and integrity, the Supervisors of Brighton Township, Beaver County, Pennsylvania do hereby place upon the official Minutes of the Township, this record of their appreciation for the leadership, financial expertise and friendship as Supervisor of **JOHN R. MCCANDLESS, JR.**, and their sadness at his death.

ENACTED this 13th day of July, 2009.

Construction of New Fire Station Moves Along

As reported in the June newsletter, the Township and Fire Department initiated construction of a new fire station at 1120 Dutch Ridge Road on June 1st. The new two-bay fire department substation is well underway, and will replace Fire Station No. 1 on Dutch Ridge Road. The station is located on a 1.5-acre parcel of land at the hospital campus of Heritage Valley Beaver. Brighton Township would again like to express our appreciation to the hospital administration for their cooperation and support of the Township's efforts to obtain the land lease for the location of a new fire station. Their cooperation in providing the lease location has resulted in significant savings.

WWII Veteran's Bus Trip

Veterans of WWII may sign up for a free one-day bus trip to the WWII National Memorial in Washington D.C. by calling 724-709-3614. The trip is scheduled for Tuesday, October 6, 2009. Buses leave at 6:00 A.M. and return at approximately 9:00 P.M. Boxed lunches, dinners and beverages are provided. Wheelchairs are available if requested. Buses depart from Coraopolis, Ross Park, Monroeville, Greentree and Beaver.

The bus trip is free of charge thanks to donations. Donations made payable to "WWII Memorial Vets Trip" can be mailed to Kingsway Engineering, 1331 State Avenue, Coraopolis, PA 15108.

Leaf Waste Collection Program Returns This Fall; Drop Off Site Will Remain Operational

Brighton Township will continue this fall with the curbside collection program for leaf waste to comply with regulations implementing State regulations that mandate curbside recycling, including yard waste. Please note that the yard waste drop-off site will continue to operate on the same basis as it currently is and, therefore, participation in the curbside collection program is optional. With 75 miles of roads, curbside collection of leaves and other yard waste is a significant undertaking for the Township, and is costly in terms of labor and equipment operation. It is hoped that many homeowners will continue to use the drop-off site, or compost the leaves in their own yards.

The collection of leaves and yard waste has been established as a fee-based program whereby residents purchase biodegradable paper collection bags at a cost of \$2.00 each within which the leaves, garden residues, shrubbery clippings or tree trimmings must be placed. Bags must be placed at the curb on collection days to be designated. Bags will be pre-sold at the Municipal Building. Bags utilized must be purchased from the Township, and not from another source, such as a home improvement store. Watch for newspaper announcements of the collection dates and when the leaf bags will be available for purchase.

Park & Recreation Board News

By the time you're reading this, the Brighton Township Bears football season will be in full swing. All four of the Bears teams work hard in practice and deserve your enthusiastic support at their games. Home games are played on Saturday mornings and afternoons at Hardy Field. The final home games are on October 3, with Sto-Rox furnishing the opposition. Quarter-final playoff games start on October 17. Plan to take in a game or two! And speaking of Hardy Field, you may have noticed that work has started on implementing the Hardy Field Master Plan for development of this recreational complex. The new parking area facilities have been excavated and will soon receive paving. A new pavilion for family picnics has been in operation for some time now, and the adjacent football field facility is scheduled for grading and other preparational work soon.

The long awaited disc golf course, located behind the Township Garage and Maintenance Facility, is nearing completion and should be ready for play this fall. Watch our message signs for news on its opening! Additionally, your Board has been busy wrapping up planning for these events:

*September 17 - A bus trip was taken to two wineries and a chocolate factory to sample and purchase their excellent products. We visited the Mastropietro Winery where we also enjoyed a sumptuous lunch before departing for the Maize Valley Winery. Both facilities are located near Hartsville, Ohio. Daffin's Candy Factory in Sharon provided a host of chocolate treats for those with a sweet tooth.

*October 15 - We will be going to the Phipps Conservatory in Pittsburgh to view the Fall Flowers and Frabel Glass Exhibit. Those who made the trip last year to see the Chihuly Glass Exhibit there will surely want to join us for this trip. After viewing the Exhibits, we will lunch at the Hoffbrau House at the South Side Works before returning home. Tickets are \$40 and include everything. Watch the message signs for the date when tickets go on sale.

*December 4 - We will be going to the Dutch Village in Columbiana, Ohio to have dinner and take in a stage play. Please note this is a Friday evening performance. Watch the message signs for the date when tickets go on sale.

We continue to recommend that if you haven't already done so, that you sign up for the Township's electronic newsletter now. Just go to www.brightontwp.org, page down once or twice to where it says "Register for the Email Newsletter", enter your email address and name (name not required) and click on the submit button. You'll then be added to our subscriber list and will get the most comprehensive news available of events and activities in the Beaver Area, updated monthly.

BRIGHTON TOWNSHIP BASEBALL SOFTBALL CLUB

2009 SEASON

The fall baseball and softball seasons are upon us.

The BTBSC Officers would like to take this opportunity to thank all of our players, coaches, parents, community volunteers and especially our sponsors for their many contributions throughout the 2009 season.

During the 2009 campaign, in a cooperative effort with Brighton Township and many dedicated volunteers, the Club was able to expand and improve on all aspects of their programs including, but not limited to: playing surfaces, field allocation, safety devices, equipment, player development, activities, fundraising, sponsorship and competitive opportunities.

Several Club baseball and softball teams proudly represented the BT community in their respective Beaver County Youth League playoffs. As well, each of the advanced play all-star teams Little League, 10U Baseball, 9U Baseball, 8U Baseball, 7U Baseball and 10U Fast Pitch Softball placed 3rd or 2nd in at least one respective tournament. The 8U baseball team won the overall team championship in the Cecil Township All Star Tournament located in Washington County.

The fall baseball and softball seasons began on August 15th and will conclude on or around October 18th. Presently over 100 players are participating in the representative leagues of Pony, Little, Minor, Coaches Pitch and Softball. While the weather is still providing great outdoor opportunities, please come out and join us by taking in a ball game at one of our Township parks.

Everyone is encouraged to continue to monitor the Brighton Township Baseball Softball Club website @ www.BTBSC.org for current activities and information about upcoming events such as winter indoor training opportunities and the first annual golf outing slated for September 26th.

Volunteer Fire Department to Conduct Annual Appeal!

Watch your mailbox for the annual appeal letter from Brighton Township's Volunteer Fire Department, typically received during the month of October. These funds are vitally important to the operation of the Department. In 2008 the Fire Department responded to 373 calls, with 3,022 hours volunteered by Department members in response to these calls. This does not include the hours spent for training, maintenance activities and fund raising efforts, such as the fish fry. Please be generous in response to their request.

Mark These Dates to Attend These Fish Fry Nights!

October 2 and 16
November 6 and 20
December 4 and 18

Firemen's Social Hall – 5400 Dutch Ridge Road
4:00 P.M. to 7:00 P.M.

The price is \$8.50 for adults and \$7.50 for children.
Takeouts are also available.

Third Quarter Earned Income Tax Returns

Please be reminded that Third Quarter Earned Income Tax Returns are due on or before the end of October for the quarter including July, August and September. Employed residents of Brighton Township are subject to a 1% tax on gross earnings. This tax is paid to the Beaver Area School District and Brighton Township at 1/2 of 1% each. The tax must be paid quarterly to avoid penalty. If you are employed in the Beaver Area it is mandatory that your employer withhold the tax and your obligation is fulfilled except for the filing of a final return. However, it is the employed person's responsibility to pay the tax so payment should be verified.

Earned Income Period	Payment is Due
3 rd Qtr: July, August, September	On or before the end of October

The EIT Collector for Brighton Township and Beaver Area School District is the Central Tax Bureau of Pennsylvania, Inc. (CENTAX), 438 Line Avenue, Ellwood City, PA 16117. CENTAX can be reached at 1-800-569-6704 or (724) 752-3350 for more information or questions. Forms are available at www.centaxgroup.com.

Need help? Representatives of CENTAX will be at the Ft. McIntosh building the fourth Wednesday of each month from 2:00 to 5:00 P.M. to assist you.

Construction of Disc Golf Course Nears Completion

Construction of the 9-hole disc golf course within the Two Mile Run Park Extension is in the final stage. Located beyond the Public Works Garage at 1250 Brighton Road, the course is a combination of woodlands and open meadows. The fairways have been cleared and the baskets set. The tee locations are presently under construction. Once construction is completed the course will be mapped and measured for the creation of proper signage, scorecards and similar course amenities. Connecting trails will continue to be upgraded.

Disc golf is played much like traditional golf, but a player utilizes a flying disc, similar to a Frisbee, instead of clubs and balls. A player starts from a tee pad with the goal of making the fewest throws of a flying disc to the basket (hole).

Yard Waste Composting Site Available for Fall Leaves

The Brighton Township Yard Waste Composting Site located at the public works complex, 1250 Brighton Road is available to residents for the disposal of fall leaves. Use of the site does require a permit. Current residential permits are issued at the Municipal Building for an annual fee of \$10.00 and are for the period March 1, 2009 to February 28, 2010. Permits are required for depositing yard materials at the site only. A permit is not required to pick up processed mulch or compost. First time permit applications must be made in person, with proof of residency, at the Municipal Building, 1300 Brighton Road, Beaver, PA 15009. A Yard Waste Permit application can be found on the Brighton Township web site, on the Applications & Forms Page in the Resident's Center. For more information inquire at the Municipal Building or call 774-4800.

Please Secure Your Load

There have been instances of persons bringing large loads of unsecured tree limbs or leaves to the site that fall off during transport, becoming a roadway hazard, or creating a clean-up issue for other property owners. Please be considerate and properly secure your load for transport.

Township Prepares for Winter Road Maintenance

The Township is preparing for the snow removal season and has contracts in place for the purchase of road salt and cinders for the treatment of roads. The Township's 2009 budget includes over \$150,000 for the purchase of road salt, cinders and related materials to maintain the roads during winter conditions. This winter could potentially be more costly as contract prices for salt and cinders are much higher than last winter, and operational expenses for the plow trucks continue to rise. To reduce material costs, anti-skid material will be mixed with salt for certain road treatments, and salt brine application equipment has been placed on the trucks to make the melting process more efficient, reducing the amount of material necessary.

Each of you can help with the maintenance of the roads this winter by following these winter reminders:

- Remove vehicles from the street during any snow event that requires plowing or the application of salt or cinders. There is reduced visibility for the drivers during snow or at night. Having to maneuver through parked traffic does make their jobs much more difficult.
- Township Ordinance regarding snow removal does prohibit parking, or allowing to be parked, any motor vehicle or other vehicle on any public street within the Township following the deposit or accumulation of ice or snow of three (3) inches or greater in depth, until the snow has been completely plowed from the full width of the roadway. Violators are subject to a \$15 fine when ticketed by the Police Department, or towing when necessary.
- Do not shovel snow into the road or have your driveway plowed into the road. This creates a safety hazard. If possible, wait until the road has been plowed before cleaning out the end of your driveway. There is no practical way to plow the road without depositing snow into your driveway. Township snow removal crews do not clear private driveways or driveway entrances of accumulated snow.
- Cul-de-sacs are difficult to clear to everyone's satisfaction. Snowplows do not have the ability to lift and carry snow from one area to another. The plow pushes the snow. The driver pushes the snow to an area most suitable to expedite the plowing and to open the road for the majority of residents. The Road Department will return to cul-de-sac areas for more thorough clearing after all roads have been properly plowed and treated.
- Mailboxes and posts are often broken from the weight of the plowed snow or simply pushed over by snow. Please check posts for deterioration to reduce the possibility of breakage. Also, install mailboxes as far from the edge of the roadway as permitted by your postal delivery personnel. Installations in the right of way are placed there at the owner's risk.
- Do not drive unnecessarily in a storm, especially during severe snowstorms and freezing rains. If you do drive, be sure to properly clean your windshield and to have winter wiper blades. Verify that your tires are properly inflated and have sufficient tread.

State Road Maintenance

PA D.O.T. provides winter maintenance on the following: PA Route 60, Tuscarawas Road, Barclay Hill Road, Lisbon Road, Pine Grove Road (from Doyle Drive to Industry), Wildwood Road, Grange Road, Park Road, Brady's Run Road, Achortown Road, and Doyle Drive. Concerns regarding any of these roads should be directed to PA D.O.T. at (724) 774-6610 (answers 24 hours).

Renovation Plans for Fire Station No. 3 Initiated

The Board of Supervisors has accepted a proposal from L.C. Renninger, Metal Buildings Direct, Inc., for project management services for the Fire Station No. 3 renovation project. The total scope of services includes: preparation of written specifications and drawings; pre-bid construction phase; and construction phase. Plans for the project were previously prepared in cooperation with personnel and officers from the Fire Department.

Fire Station No. 3 was built in 1980. The renovation includes removal of all structures except for the steel beams, enlarging the doorways to accommodate the fire trucks and relocating the office, training room and mechanical areas to an addition to be placed on the building. This building project is anticipated in 2010.

Emergency Notification System Established; Residents Asked to Update Contact Information

As reported in the June newsletter, the Municipal Authority has implemented the services of Swiftreach Networks, Inc. as its emergency notification provider to comply with PA DEP Public Notification Rules. The Swift911™ system is designed to make phone calls on a Township-wide basis, or to specific people or areas, in the event of an emergency, and can make hundreds of calls a minute to convey recorded messages. It can also be used to share important information. The system is also available for use by emergency services or other Township Departments who can give notice of road closures, missing persons or other information.

The Swiftreach Network data has been provided by a third party data provider and only includes listed phone numbers. It is important for residents and business owners to verify the accuracy of the information provided to us, and to provide additional contact information such as unlisted, unpublished or cell phone numbers and even email addresses. Accurate information in the database helps to ensure emergency notifications will be passed on to everyone in a timely manner.

How do you update your information? Log on to the Brighton Township web site www.brightontwp.org and look for this link to provide updated information. You may also remove yourself from the list. If you do not have access to a computer you may call 724-774-4800 to provide Emergency Notification Information: Name, Address, Primary Phone and Alternate/Cell Phone. Please be assured that this information will not be provided to any outside agencies or companies.

A Reminder from the Real Estate Tax Collector

This is a reminder for the residents who have participated in the 2009 School Real Estate Tax installment program. The second installment payment is due no later than October 31, 2009 and again must be **exactly one third of the face amount**. If the second payment is late, the entire amount will be penalized at **ten percent**.

Normal office hours will be held on Saturday, October 31, 2009 from 10:00 A.M. to 3:00 P.M., the last day of the school face period. There is also a drop box at the entrance of the tax office for your convenience. The tax office is located on the lower level of the Municipal Building.

Please do not hesitate to call the real estate tax collector, James W. Onuska, at 724-774-2622 if you have any questions or concerns.

The Brighton Township Road Department begins excavation at Hardy Field for the parking lot expansion project. The layout for the parking lot was approved as part of the planning process for the master park plan. In addition to increasing the amount of parking, the project was designed to upgrade the deteriorated asphalt and to clearly define traffic flow and parking stalls. The Township is also studying the relocation of the football field to the upper level where the school building was demolished and upgrades to the baseball field.

**Summer
Playground
Program
Completes
Another
Successful
Season**

A total of 44 children registered for the Summer Playground Program, which was provided at the Dutch Ridge Elementary School from July 6th to July 31st. The program was operated for students in K-5th grade, was 4 weeks in length and operated from 10:00 A.M. to 2:00 P.M. Brighton Township provided the funding for the program and the Beaver Area School District graciously provided their facilities for the operation of the program. YMCA-trained staff supervised the program and provided needed resources; including games, crafts, sports and special events. The Youth Director for the YMCA included the following comment within the final report issued to the Township: "Your community should be proud for providing the resources to operate a summer recreation program for your youth. In an era of dwindling resources for recreation, your community along with our YMCA provided a safe, structured and fun environment for the youth...."

**TWO MILE RUN
PARK
RESERVATIONS**

Brighton Township residents may begin reserving the Two Mile Run Park facilities for 2010 dates on Saturday, October 10, 2009. Reservations will be taken **in person only** at the Municipal Building on Saturday, October 10, 2009 from 8:00 a.m. until Noon. Payment is due at the time of reservation. Telephone reservations for residents of Brighton Township will not be accepted until Monday, October 12 starting at 8:00 a.m. Payment for telephone reservations will be due within one week. Please call 724-774-4803 to make reservations.

If you are reserving Shultz Lodge for June, July or August, only one reservation per person will be taken for those summer months on Saturday, October 10.

Residents from Beaver, Bridgewater or Vanport may make reservations on or after December 21, 2009. Payment for telephone reservations will be due within one week.

Rental fees are as follows:

Lodge:	Residents Monday thru Thursday - \$65 Friday thru Sunday - \$75 Holidays and the day before - \$75
	Non-Residents Monday thru Thursday - \$90 Friday thru Sunday - \$100 Holidays and the day before - \$100
Shelters:	Residents Monday thru Thursday - \$25 Friday thru Sunday - \$30 Holidays and the day before - \$30
	Non-Residents Monday thru Thursday - \$35 Friday thru Sunday - \$40 Holidays and the day before - \$40

Please be reminded that the person signing the rental agreement **must be present** when the facility is opened and closed.

Also available for rental is a large screen television with a DVD/VCR. TV rental costs \$10 plus a \$20 key deposit which will be refunded with returned key.

Forms needed for reservations can also be found on our website at www.brightontwp.org.

MARK YOUR CALENDAR!

TRICK OR TREAT

**WILL BE HELD ON THURSDAY, OCTOBER 29TH FROM
6:00 PM TO 8:00 PM.**

Brighton Township Historical Society

The September meeting of the Brighton Township Historical Society featured the history of Hull pottery. Ethel Icenhour displayed samples from her extensive collection. She showed counterfeit pieces to point out telltale irregularities, and examined and evaluated samples brought by Society members.

The November 10th meeting will honor veterans. Township resident Tom Forster, who piloted Chinook helicopters in Vietnam, will lead the program. All veterans present will be invited to share reminiscences. Please come and bring a friend to Schultz Lodge at Two Mile Run Park on Gypsy Glen Road at 7:00 P.M. on Tuesday, November 10, 2009.

Is your roof flushing raw sewage into our rivers?

Whenever it rains, water flows off hundreds of thousands of roofs, into downspouts and down our storm drains. If our downspouts are connected to the underground sewer lines, storm water can overload the lines. Causing sewage to overflow into our rivers —the source of the water we use everyday.

Fortunately, there's a solution. Many dedicated people and municipalities are working on it.

You can help too. Check with your local community about whether you need to disconnect

your downspouts from the sewer system.

Connect a rain barrel to your home's downspout so the water can be captured, conserved and used later on your yard or garden. Plant trees and other vegetation to reduce storm water runoff from your yard.

To find out more, visit our website. Because the only thing that should flow into our rivers is clean water.

3 Rivers Wet Weather
Demonstration Program

Clean water starts in our own backyard. Go to 3Riverswetweather.org for a free guide on how you can help.

Recycling is Easy!

HOW TO PREPARE YOUR MATERIALS

Glass - Clear, Brown and Green Bottles and Jars

1. Rinse - remove styrofoam labels.
2. Remove metal lids and rings.
3. Place in green recycling container.
4. Do not break glass.
5. Do not include auto glass, light bulbs, porcelain, ceramic, plate glass or crystal.

Aluminum, Bi-Metal & Tin Food and Beverage Containers and Aluminum Foil

1. Rinse thoroughly, crush cans.
2. Place in green recycling container.

Plastic Bottles and Jugs Only

1. Rinse thoroughly, remove caps.
2. Flatten to save space.
3. Containers must have the three arrow recycling logo, with the numbers 1 or 2 inside it.
4. Containers that originally held motor oil, antifreeze, or other chemicals are not recyclable.
5. Place in green recycling container.
6. Do not include plastic bags or buckets.

Newspapers and Magazines

1. Fold newspapers once and slide into paper bag along with magazines.
2. Do not tie newspapers, magazines or paper bag
3. Do not use plastic bags under any circumstances.
4. No cardboard, cereal, cracker or pizza boxes.
5. Place next to or in recycling container at roadside.

- Place your recycling container at roadside on the same day as your regular garbage collection during the recycling weeks.
- Do not place items in separate bags or they will not be collected. Place recyclables directly into recycling container.

- Recover your recycling container promptly after collection.

NOTE: The recycling container remains the property of Brighton Township and must remain at the residence if you move. Your recycling container is to be used for recycling only.

Fourth Wednesday of each month - 7:00 p.m.
Third Wednesday in November & December.

Dennis E. Nichols takes his oath of office as a Township Supervisor following his appointment by Supervisors Wolf and Erath to fill the vacancy in office created by the death of John R. McCandless, Jr. Dennis has a Bachelor of Science degree in electrical engineering from Bucknell University and a Masters in Business Administration from the University of Pittsburgh-Katz Graduate School of Business. His 35-years of business experience will be of great value to the township administration. Dennis has been a resident of Brighton Township for 36-years. He and his wife Madge have three sons.

Web Site Undergoes Redesign

New look – same location: www.brightontwp.org. Brighton Township has redesigned its web page to provide ease of use by residents searching for information about services within the community, or by visitors who may be considering a new location for their family. As part of the release of the redesigned web site, a Township logo has been added. Maintenance of the site is conducted by the Township staff, which results in more timely information. A calendar for Township events

and meetings is available to keep you apprised of when the various boards and committees are meeting. A Support Your Local Businesses feature has been added too. Some additional photography and information will continue to be added as the site continues to be developed.
