Refuse & Recycling Program

New Rates Effective January 1, 2017

Brighton Township's contract with J. Young Refuse for the collection of all residential refuse and recycling includes provisions for changes to the monthly collection charge based upon a fuel cost adjustment on a semi-annual (6-month) basis or if there is an escalation in the fees charged by the landfill/recycling center utilized by the hauler. Based upon the semi-annual adjustment the January 1, 2017 rate is as follows:

Base Rate July 1, 2016 to June 30, 2017	\$ 11.12
Recycling Fee escalation approved effective October 1, 2015	\$ 0.05
Recycling Fee escalation approved effective December 1, 2015	\$ 0.02
Tipping Fee escalation approved effective May 1, 2016	\$ 0.08
Fuel Cost Adjustment calculated effective January 1, 2017	\$ (0.12)
Monthly Refuse Rate effective January 1, 2017	\$ 11.15
Quarterly Refuse Rate effective January 1, 2017	\$ 33.45

Remember that additional fees are assessed for services other than curbside collection (backyard or at door service where specific contract restrictions apply) or streets that were not specified for curb service in the bid contract.

Mandatory Participation

Each residential unit is required to participate in the contracted refuse and recycling collection program. Brighton Township is also mandated by State law to provide curbside collection of recyclables to each residential unit. Township ordinance requires mandatory participation in these programs. As the contracted hauler provides the Township with the names and addresses of non-participants, notices will be sent. Continued non-participation can result in the filing of an enforcement notice with potential fines of not less than \$100 nor more than \$600, plus costs of prosecution, for each violation.
