

Please tell me about Flat Stanley's visit!

February 22, 2019

Dear Azalea,

Flat Stanley had a wonderful time  
visiting the Brighton Twp. Police Department  
along with riding around with Officer  
Don Sanders. Flat Stanley especially enjoyed  
activating the lights and siren along with  
talking to Dispatch on the radio. Flat  
Stanley, however, did not like visiting the  
holding cell and sitting in the "bad boy"  
chair! Flat Stanley drove around ready to  
answer any call so he could help someone  
in need. Flat Stanley can come back any time!!

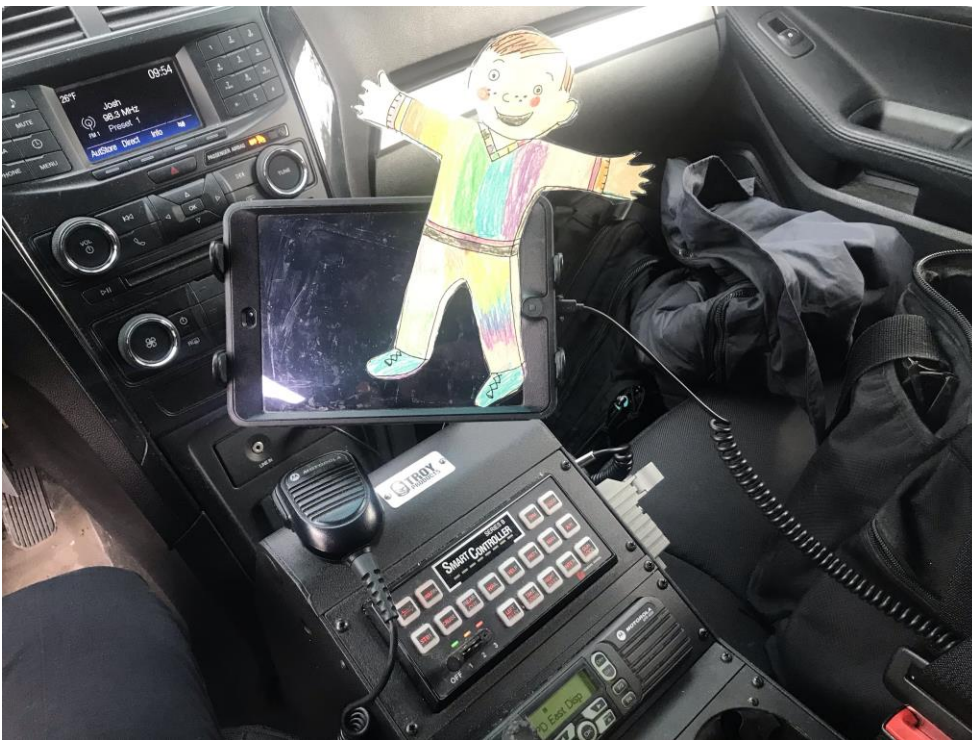

Your friend,

Officer Don Sanders
