The above figures provide an opportunity to negotiate a Professional Services Contract that is satisfactory to both Larson Design Group (LDG) and the Client.

We will provide services based on the above listed fees, plus expenses, that are the basis for the rates quoted above. These rates shall be effective for the 2021 calendar year. If the contract is extended or a new contract is negotiated, an annual escalation factor of approximately 5% will be added to the direct payroll costs to compensate for any salary and cost of living increases that occur.

Client agrees that the pricing data contained in this submission by LDG shall be considered confidential and proprietary and shall not be released or otherwise made available to any third party without the express written consent of LDG.
